The Mystery of Everything is a new and original Lent course by **Hilary Brand**, which takes the multi-award winning film about Stephen Hawking, *The Theory of Everything*, as its starting point.

Make Lent Matter

The course explores ways in which the mysteries of the universe and of everyday life - and the acceptance that we have more questions than answers - can reinvigorate our faith and spiritual journey. The course is based around five weekly group sessions entitled: The experience of wonder, the enigma of weakness, the complexity of relationships, the encounter with frailty, the hope beyond brokenness.

Each session includes an extract from the film, group discussion questions and a meditation.
