THEOLOGY NIGHT

Meet the big issues of Christian faith

Tackling some of Christianity's big ideas, our popular **Theology Night** opens up a forum for discussion and debate. These seminars are a place to grow in our knowledge and faith and help us to get way beyond Sunday School faith, or the ground we can cover in a Sunday sermon. Novices and experts welcome.

This series of seminars is led by Steve Tomkins, the author of a number of books, including *A Short History of Christianity*. He is the editor of *Reform* magazine, a member of the St Catherine's preaching team and has a PhD in theology.
